Aspiring * Safe * Prepared * Independent * Respectful * Excellent

We know how boys learn...

With our specialist training, our teachers know what excites boys and have integrated all aspects of boy friendly learning strategies across the school's programme. We have strong academic, sport and creative success; delivered through high levels of curriculum and pastoral support.

Forest GCSE Success 2018

The Forest School continues to make exceptional progress in all the new government measures including GCSE passes.

When we compare our results to mixed schools across the country our boys are out performing similar boys school nationally and many local mixed schools. We are delighted with our continued rapid increase in student outcomes - achieved through our ASPIRE ethos.
