

Year 3 Spring Term 2019

Reading	Writing	Maths
Encourage your child to read every day for pleasure and read with them at least 3 times a week and write it in their reading record.	Support your child in learning their weekly spellings and practise writing them in a sentence. Spelling tests are each Friday.	Practice quick recall of timetables. Refer to Timetable passport to know which ones to work on.

Our Topic this term is ...

Bright Sparks

As Scientists, we will be investigating different ways light can be used. We will find out how shadows are made and changed, and discover how different materials can manipulate light. We will investigate reflections and how light can be affected in a variety of ways.

As Artists, we will be creative with light in different ways. We will use shadows to create silhouettes.

As Readers, we will explore Ted Hughes' Iron Man.

As Historians, we will discover how artificial sources of light were created, and who invented the light bulb.

As Designers, we will make our own shadow puppet theatre and design kaleidoscopes to show patterns
