

Year 5 Autumn Term 2018

Reading	Writing	Maths
Read everyday - fiction, non-fiction and poetry. Complete one activity from the Reading Bingo sheet each week.	Support your child in learning their weekly spellings and practise writing them in a sentence. Spelling tests are each Friday.	Practice quick recall of timetables, Refer to Timetable passport to know which ones to work on.

Our Topic this term is ...

Potions

As Scientists, we will investigate the similarities and differences between materials, focussing on reversible and irreversible changes, dissolving and separating.

We will classify solids, liquid and gases based on their properties.

We will make our own potions using a range of investigative skills.

We will follow spells to make homemade bath bombs.

As Historians, we will look at how potions were used in the past for magical and medical reasons.

As Artists, we will be decorating our own potion bottles using glass paints. We will work collaboratively to produce bubble art. We will use charcoal to create images inspired by our class text.

As Readers, we will immerse ourselves in 'The Wizards of Once' by Cressida Cowell.

As Authors, we will write poetry and Instructions inspired by potions and descriptive writing based on our class text.

As Geographers, we will be creating maps with keys of imaginary worlds.

As Designers, we will be designing packaging for our class potions.

The children will be experiencing a 'hands-on' Science Workshop, where they will be making bath bombs.
