

### **Sports and Music**

Congratulations to our performance choir and sports teams; it has been a very busy and successful term!

The choir have performed at The Royal Albert Hall and at the Wokingham Schools concert and have many events planned for next term.

We have had a large number of children representing the school in netball, tag rugby and football as well as lots of children trying new clubs and starting to enjoy new sports. Well done to all those who have participated and have kept up our high profile in the community.

Thank you to the staff and parents who have coached, encouraged and transported the children to all these events.

### **School Environment**

The school is looking very smart with the new signs, lockers and paintwork. Further painting will take place over the Easter holidays. Outside, over the next few months, the quiet area and decking will be replaced, thanks to PTFA funding.

The Summer term planner is being sent out with this letter. We look forward to welcoming the children back to school on Tuesday 23<sup>rd</sup> April.

Yours Sincerely

Mrs A M Butler-Willis

Headteacher
